Dear Team mychatri-

Please accept our thanks and congratulations on this great initiative. It is a great motivation for many students who need a little extra push. The list of contacts that is given in 'mychatri's' network will help our students in their studies, internships and job search. I am pleased to see the most needed platform for our students.

I sincerely appreciate the execution of team 'mychatri' in the orientation of our students. I believe 'mychatri' will be a true guide to our students. This is going to help them in the long run.

Thanks again for such uplifting platform.

With best wishes,

Dr. Satyabrata Singh
